

**TABLE OF PROPOSED REVISIONS TO
ELEVENTH CIRCUIT RULES AND INTERNAL OPERATING PROCEDURES**

Page	Circuit Rule or IOP	Comments
95	11th Cir. R. 27-2, <u>Motion for Reconsideration.</u>	Proposed conforming revision to delete a reference to 11th Cir. R. 40-4, which the court proposes to rescind (see below).
118	11th Cir. R. 31-6, <u>Replacement Briefs.</u>	Proposed new rule to establish procedures for filing replacement briefs.
146	IOP 10, <u>Citation to Internet Materials in an Opinion</u> (following FRAP 36)	Proposed new IOP describing procedures that will be used by the court when an opinion contains a citation to materials on the internet.
154	11th Cir. R. 40-4, <u>Review of Order Dismissing Appeal for Lack of Jurisdiction.</u>	Proposal to rescind the rule because it is no longer necessary. A published order dismissing an appeal is subject to rehearing (panel or en banc) – see 11th Cir. R. 41-3 (below), 35-4. An order dismissing an appeal that is not published is not subject to panel or en banc rehearing, but may be the subject of a motion for reconsideration – see 11th Cir. R. 27-2 (above), 35-4, 41-4.
157	11th Cir. R. 41-3, <u>Published Order Dismissing Appeal Issued As Mandate.</u>	Proposed changes to the rule because it is no longer accurate. As noted above, a published order dismissing an appeal is subject to rehearing (panel or en banc); therefore, the time for issuance of the mandate is governed by FRAP 41(b).
169-170	11th Cir. R. 46-5, <u>Entry of Appearance.</u>	Proposal to delete the last sentence of the rule because it is inconsistent with 11th Cir. R. 46-6(a), which permits the clerk to conditionally file papers while awaiting receipt of an attorney's application for admission to the bar.
